About Asbury Here Quilt

"You Are Here signs do more than just pinpoint a specific location within a mall or amusement park, they seem to imply that I really do exist. Right here and right now I am simply here, and nothing more.

I think of this quilt as a meditation blanket, to single out one possible Here from any number of possible Heres. The Here quilt does not occupy the central position; it offers a metaphor for leaving the center stage for a moment of rest." – Thomas Knauer
