## About Lady Rose

Made up of daring designs, edging into the art deco era. Color-wise, her collection includes some of the purples she wore while the family was still in mourning for Cousin Matthew. However, her collection also features some of the rich, cobalt blues and bright, hot pinks that are so becoming to her coloring and her age. This collection also includes faux-knits and argyles that the Prince of Wales made so popular during the 1920s.
