## **About Madison Manor**

I'm always looking for medium to large beautiful designs. I found the beautiful paisley design (mother print) and was fortunate to find an unusual stripe to accompany it. I always seem to be able to find companions to "go with." The red/green colorway is perfect for the holidays and I also wanted to do a neutral second colorway for a change. I love the results and having fun sewing with it! - *Jo Morton*
