

Let's Go to the Zoo Quilt

Introducing Andover Fabrics new collection: 1, 2, 3 TO THE ZOO © Eric Carle LLC.

Quilt designed by Jean Ann Wright

Quilt finishes 66" x 69"

10 Blocks: 8" x 8"

This enchanting quilt is based on Eric Carle's counting book that has been a favorite of early learners for nearly 20 years. The novelty panel in the center is a visual delight with illustrations of the fanciful animals from the beloved book. Simple blocks and minimal piecing make this easy work for any quilter.

Making the Quilt

1. Referring to the Block Y and Block Z diagrams, join squares as shown to make blocks. Make 6 Block Y and 4 Block Z. Set blocks aside.

Block Y – Make 6

Block Z – Make 4

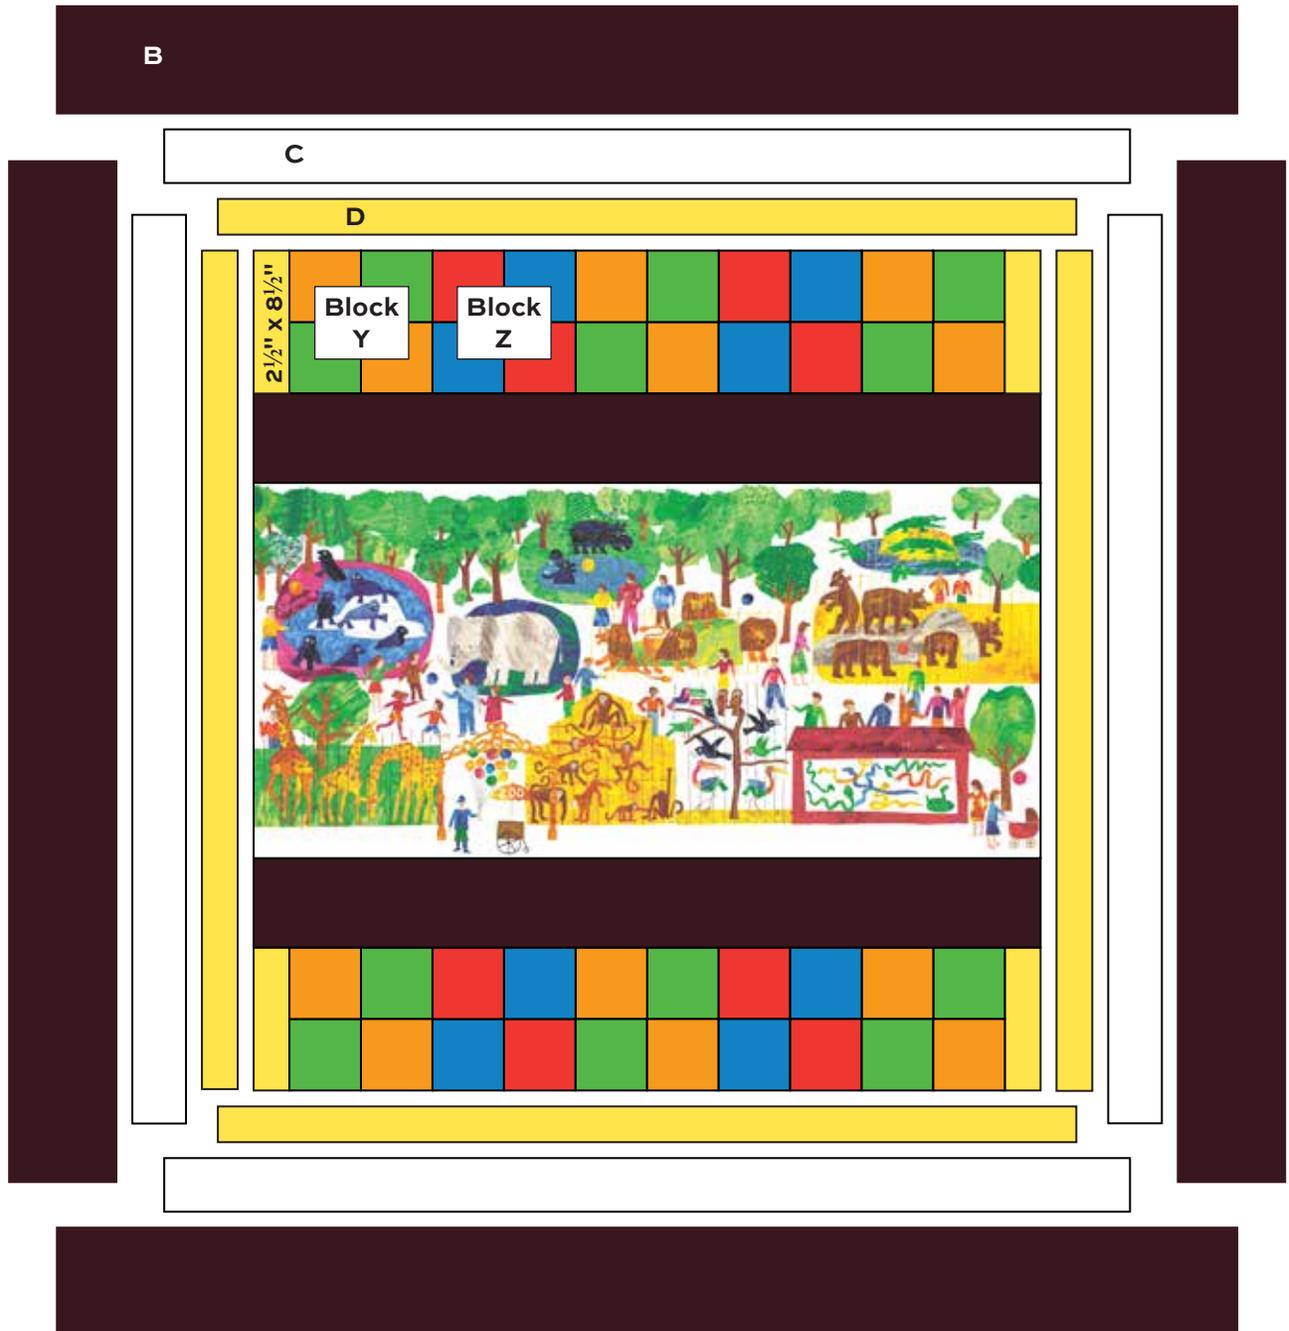

2. Referring to the quilt illustration, fussy-cut the Fabric A panel the width of the fabric. Do not include the numbers and letters along the panel bottom. The panel should be approximately 21 1/2" x 44 1/2". Don't worry if it is a slightly different measurement. All border measurements include extra length to accommodate the size of your panel.
3. Refer to the Quilt Diagram for the following steps. Sew Fabric B sashes to the top and bottom of the panel.
4. Join 3 Block Y and 2 Block Z to make a pieced border. Sew a Fabric D 2 1/2" x 8 1/2" strip to each end. Matching centers, sew the border to the top of the quilt. Repeat for the bottom. Trim the ends of the borders as needed to match the panel.

5. Sew Fabric D, C, and B borders to the quilt, trimming each border even with the edges of the quilt as needed.

Finishing the Quilt

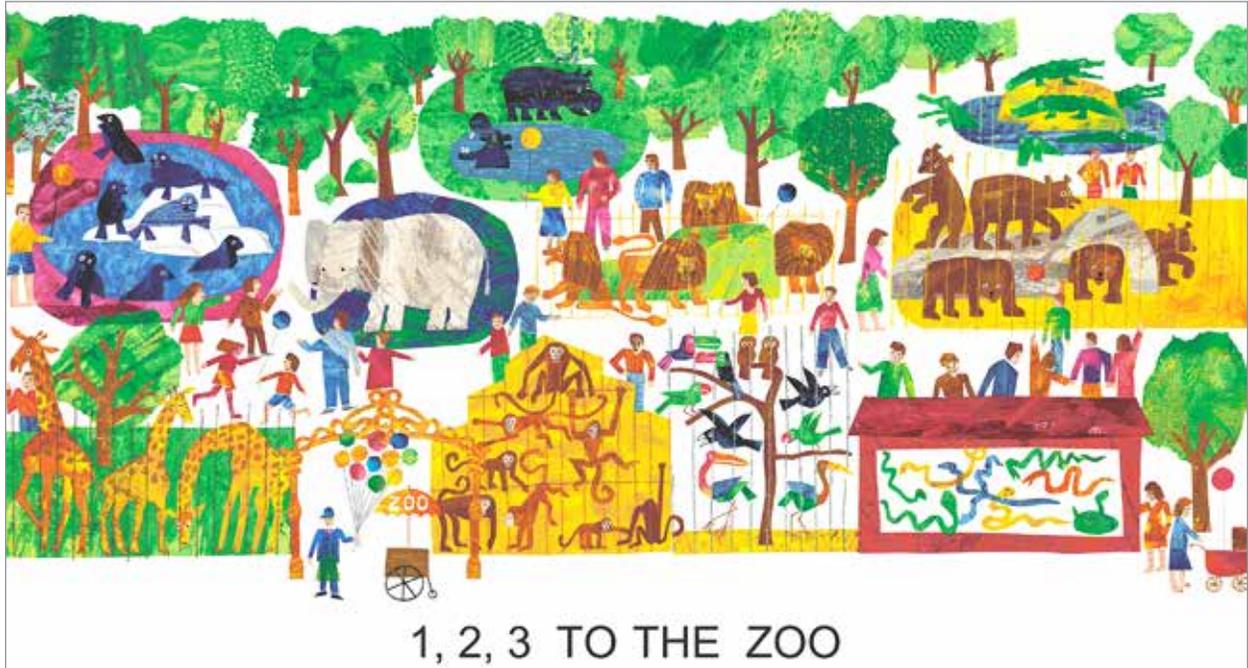

6. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt around the printed motifs. Bind to finish the quilt.
