Making and Assembling the Quilt

1. Referring to Diagram 1, position a Fabric D rectangle right side up on a cutting board. Mark a dot $2\frac{1}{2}$ " from the top left corner as shown. Draw a diagonal line from the bottom left corner to the dot. Trim along the drawn line and discard the corner. Position a Fabric F $2\frac{7}{8}$ " triangle on top of the D, right sides together. Stitch along the angle as shown. Press open. Make 4 units like this for each Pinwheel block (96 total).

2. Referring to the Block Diagram, join the pieced units from Step 1 with Fabric G, H, I, and J $4\frac{7}{8}$ " triangles into pieced squares. Join 4 like squares in the order shown. Sew an $8\frac{1}{2}$ " black strip to one side of the block and sew a $9\frac{1}{2}$ " black strip to the adjacent side. Make 5 blocks each with Fabrics G and H. Make 7 blocks each with Fabrics I and J.

3. Referring to the Quilt Diagram, sew the black borders to the quilt center, following the order listed in Fabric F cutting list. Join blocks in 4 rows of 5 blocks each, referring to the order shown in the diagram. Sew block rows to the sides, and then to the top and bottom, matching seams. Four remaining blocks are used in the outer border.

4. Referring to the Quilt Diagram and the cutting list above, sew borders in this order: black borders (side, top/bottom), and then Fabric E borders (side, t/b).

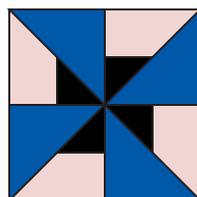

5. Join the Fabric C, F, and B borders of the same length together as shown. Sew longer border units to the sides. Sew a block to each end of the $56\frac{1}{2}$ " C/F/B border units. Sew to the top and bottom, matching seams.
