Cut and piece to fit quilt top with 4" overlap on all sides.

Quilt finishes 70 1/2" x 84 1/4"

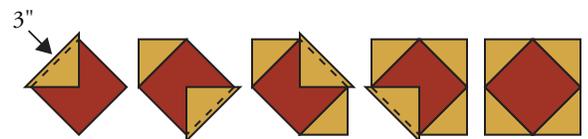

20 Pieced Blocks: 12 3/4" x 12 3/4"

## Planning

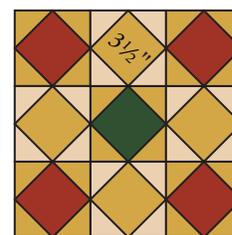

Rich golds, brick reds, and greens combine in this lovely quilt that harks back to our quilting foremothers. The quilt is just the right size for a bed topper or throw. The piecing is easy, but be careful to take consistent 1/4" seam allowances when adding half-square triangles to the squares so that the parts of all blocks are the same size.

## Making and Assembling the Quilt

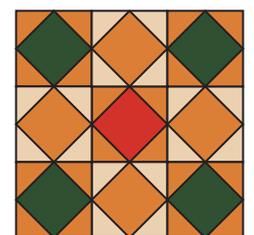

1. Referring to the Block Diagram, sew a 3" half-square yellow triangle to each side of 4 red 3 1/2" squares and 1 green 3 1/2" square to make 5 pieced units. Measure to be sure that each unit is 4 3/4" from raw edge to raw edge. Likewise, sew cream half-square triangles to sides of 4 yellow squares to make 4 pieced units. Join the units in 3 rows in the order shown. Join rows to make an A block. Make 10 A Blocks and 10 B Blocks, noting color placement in the B Blocks.

2. Refer to the Quilt Diagram throughout the assembly. Join 4 sashes with 5 setting squares ( $1\frac{1}{2}$ " squares) to make a sash row. Make 6 sash rows. Join 2 A Blocks, 2 B Blocks, and 5 sashes to make a block row. Make 5 rows. Join the rows, alternating the types and turning block rows to make the design shown.
3. Sew long gold border strips to sides. Sew short gold borders to top and bottom. Stitch long red borders to sides and short red borders to top and bottom.

## Finishing the Quilt

4. Layer quilt with batting and backing. Quilt in the ditch around borders and block patches. Quilt a motif of your choice in the large squares in the blocks. Bind to finish the quilt, using bias binding if you prefer.
