## Making and Assembling the Quilt

1. Prepare the basket, leaves, stems, and flowers for fusible appliqué, using your favorite method. Position the appliqué on the large light green check square to your satisfaction. Fuse basket in place, and finish edges with invisible machine appliqué, machine blanket stitch, or another decorative stitch. Fuse appliqué in this order, stitching edges after each layer is added: stems, leaves, large flowers, small flowers, flower center circles.
2. Refer to the Quilt Diagram throughout the assembly. Sew a  $20\frac{1}{2}$ " black novelty print border to opposite sides of center block. Sew  $24\frac{1}{2}$ " borders to top and bottom.
3. To make the Hourglass block, join 2 rose/black floral quarter-square triangles with 2 light orange quarter-square triangles as shown in the diagram. Make 24 Hourglass blocks. Join 6 blocks side by side, turning every other one as shown. Sew a  $24\frac{1}{2}$ " light green check strip to each long side of the pieced strip. Repeat to make 4 border units like this. Sew a border unit to opposite sides of the quilt center. Set 2 remaining border units aside.
4. To make a Square-in-a-Square block, sew a  $3\frac{7}{8}$ " light green check half-square triangle to each side of a  $4\frac{3}{4}$ " rose/black floral square. Make 4 blocks. Sew one of these blocks to each end of 2 pieced border units from step 3. Sew the border units to the top and bottom of the quilt.
5. Sew  $36\frac{1}{2}$ " black novelty print borders to sides of quilt. Sew  $40\frac{1}{2}$ " borders to top and bottom.
6. Refer to the block diagrams and make 14 Four Patch blocks with green, black, and light orange  $2\frac{1}{2}$ " squares. Make 15 with green, pink, and light orange squares. Make 15 with pink, black, and light orange squares. Following the order and orientation of the blocks carefully as shown in the Quilt Diagram, join 10 Four Patch blocks to make a border, and sew to side of the quilt. Repeat for the other side. Join 12 Four Patch blocks to make a border, and sew to top of the quilt. Repeat for the bottom.

### Block Diagrams

7. Sew  $48\frac{1}{2}$ " novelty black print borders to sides of quilt. Sew  $52\frac{1}{2}$ " borders to top and bottom. Likewise, sew shorter light green check borders to the sides and longer light green check borders to the top and bottom.
8. Sew wide outer borders to the quilt. Miter the corners and trim the excess seam allowances.

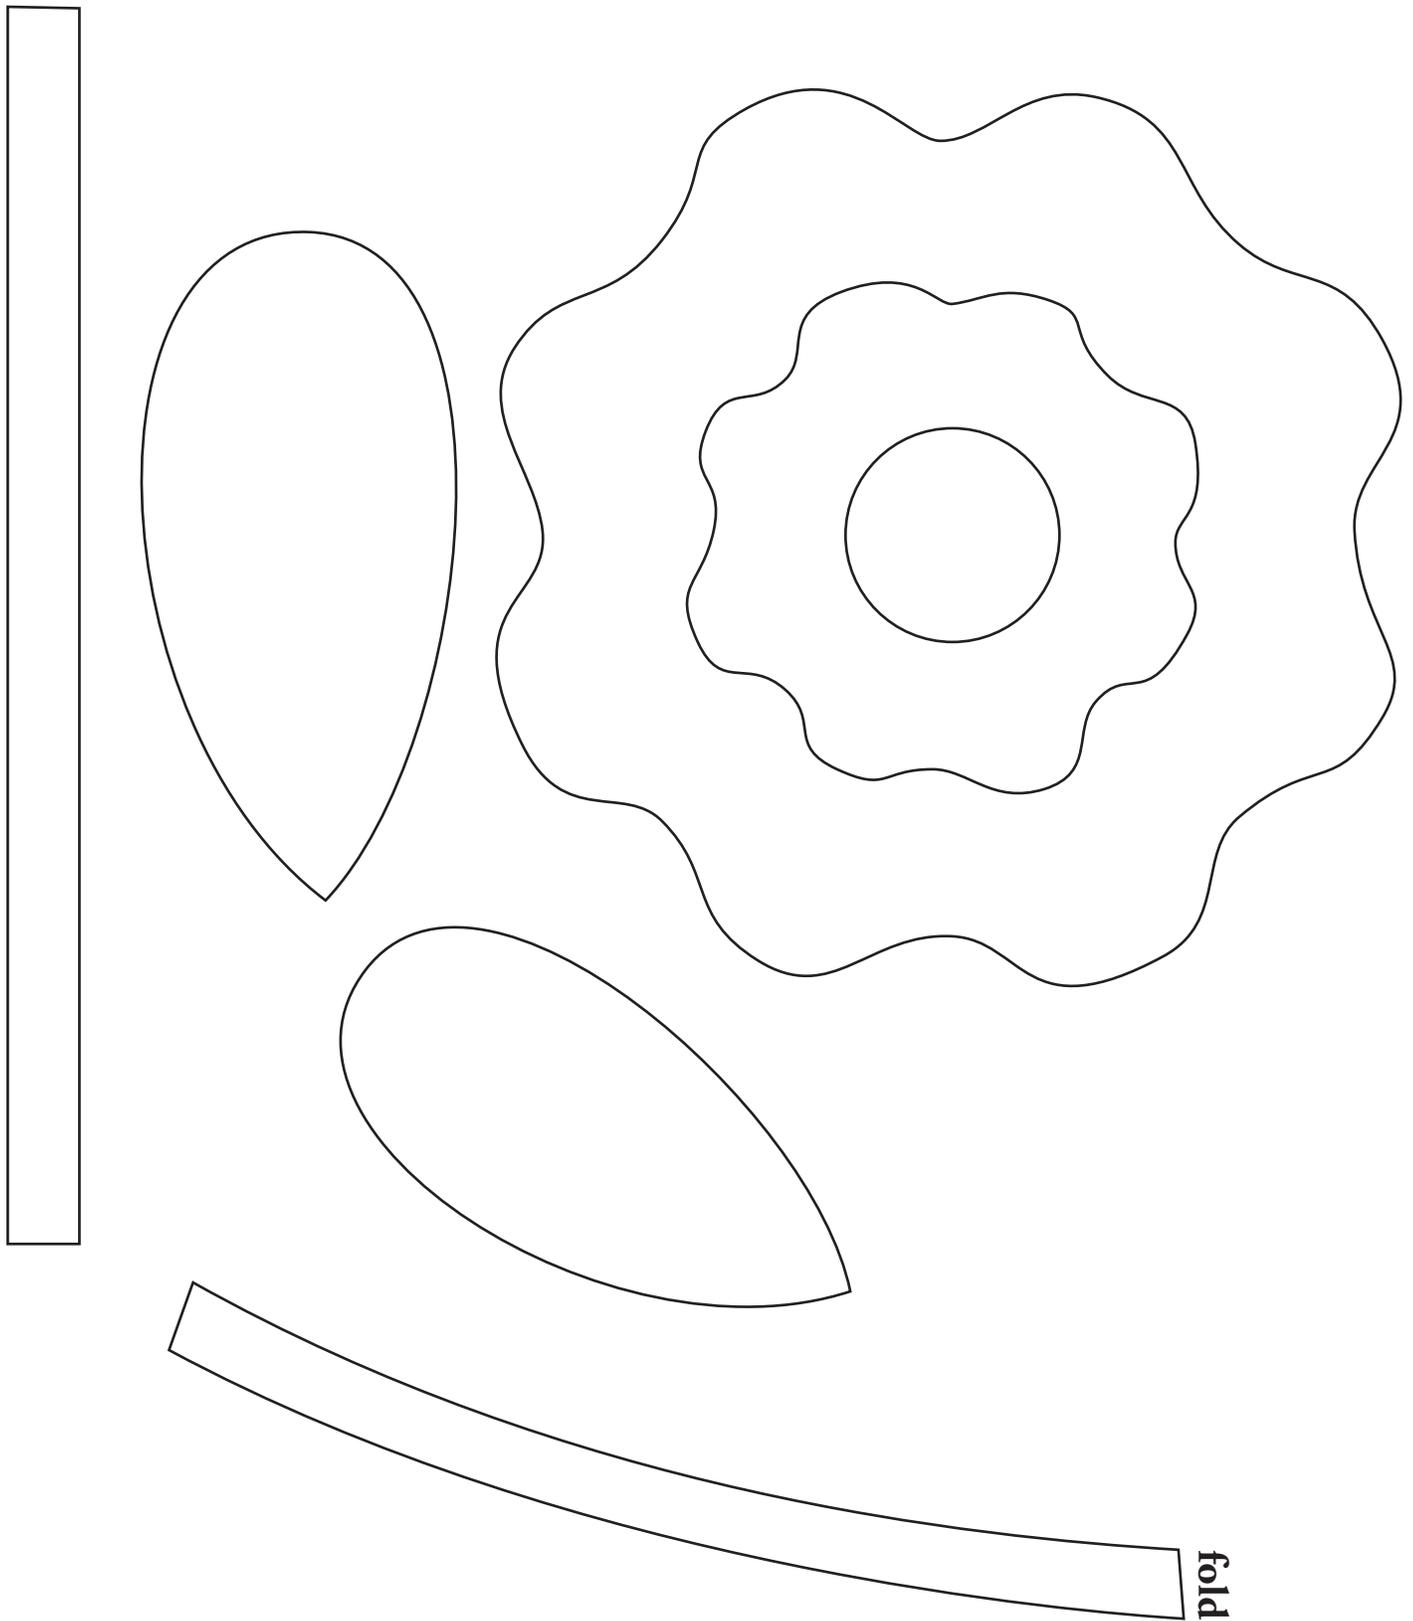

## Finishing the Quilt

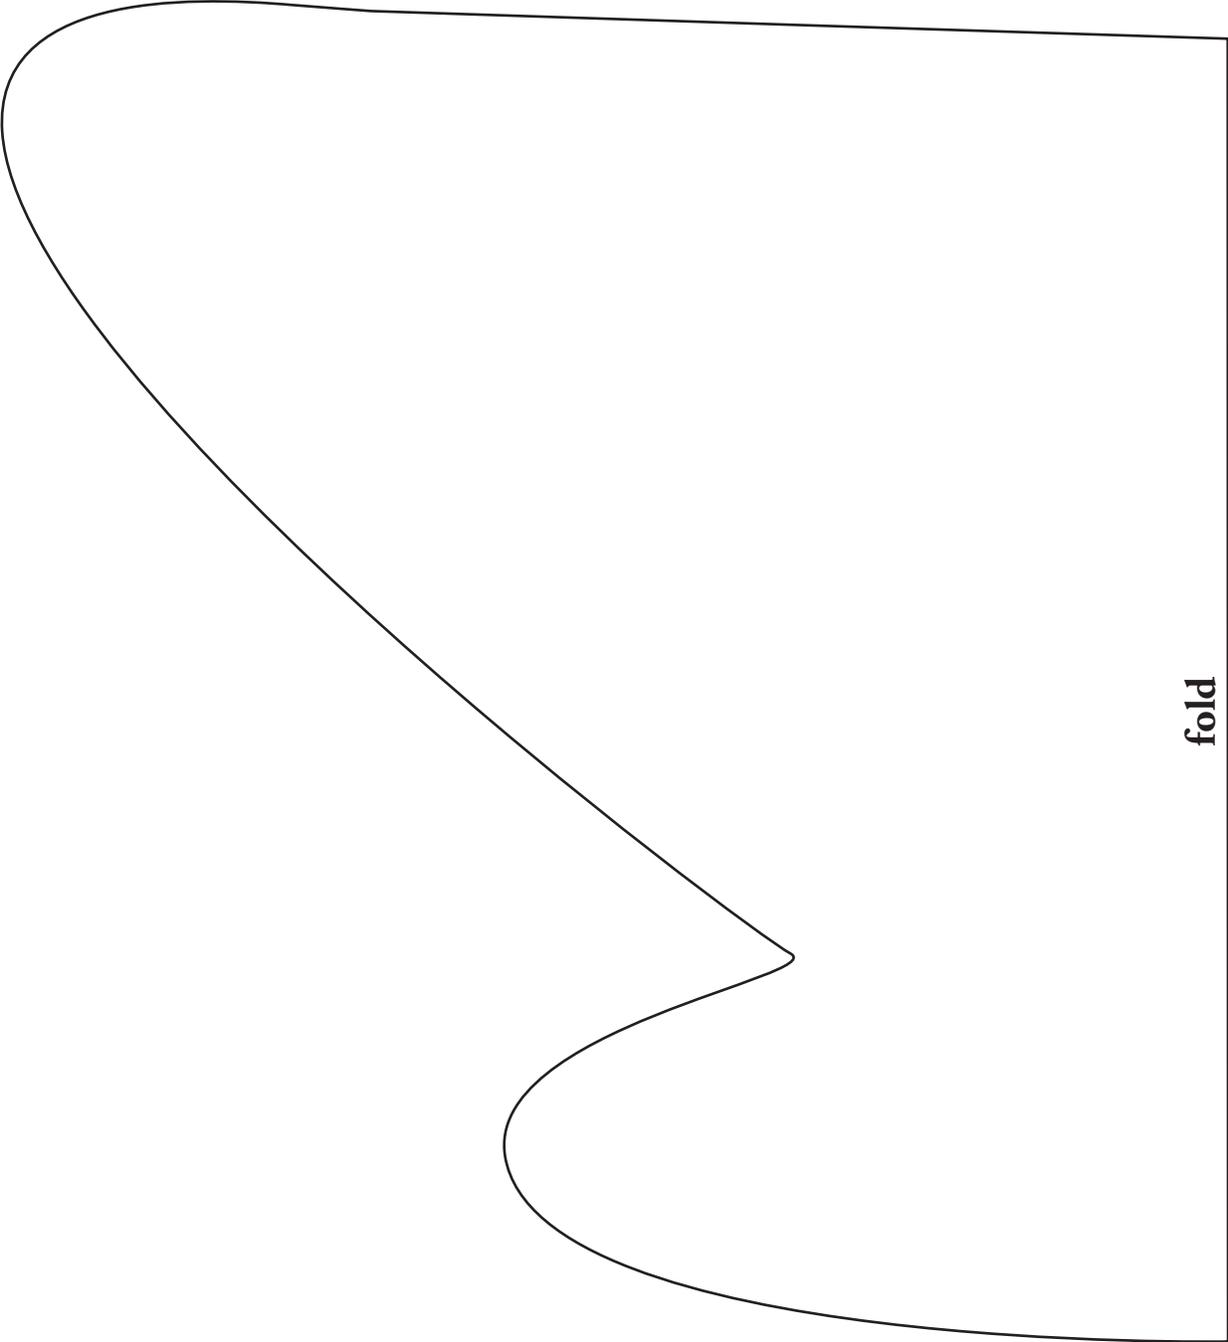

9. Layer quilt with batting and backing. Free-motion quilt around appliqué in center block. Quilt in the ditch around borders and block patches. Bind with black print to finish the quilt.
