Fabric D for block frames: (10) strips 2 1/2" x WOF, cut into: (20) 2 1/2" x 10 1/2" rectangles and (20) 2 1/2" x 6 1/2" rectangles

Fabric E for borders 1 and 3, (14) strips 1 1/2" x WOF, pieced and cut to make:
(4) side borders side borders 71 1/2" long and

Making the Quilt

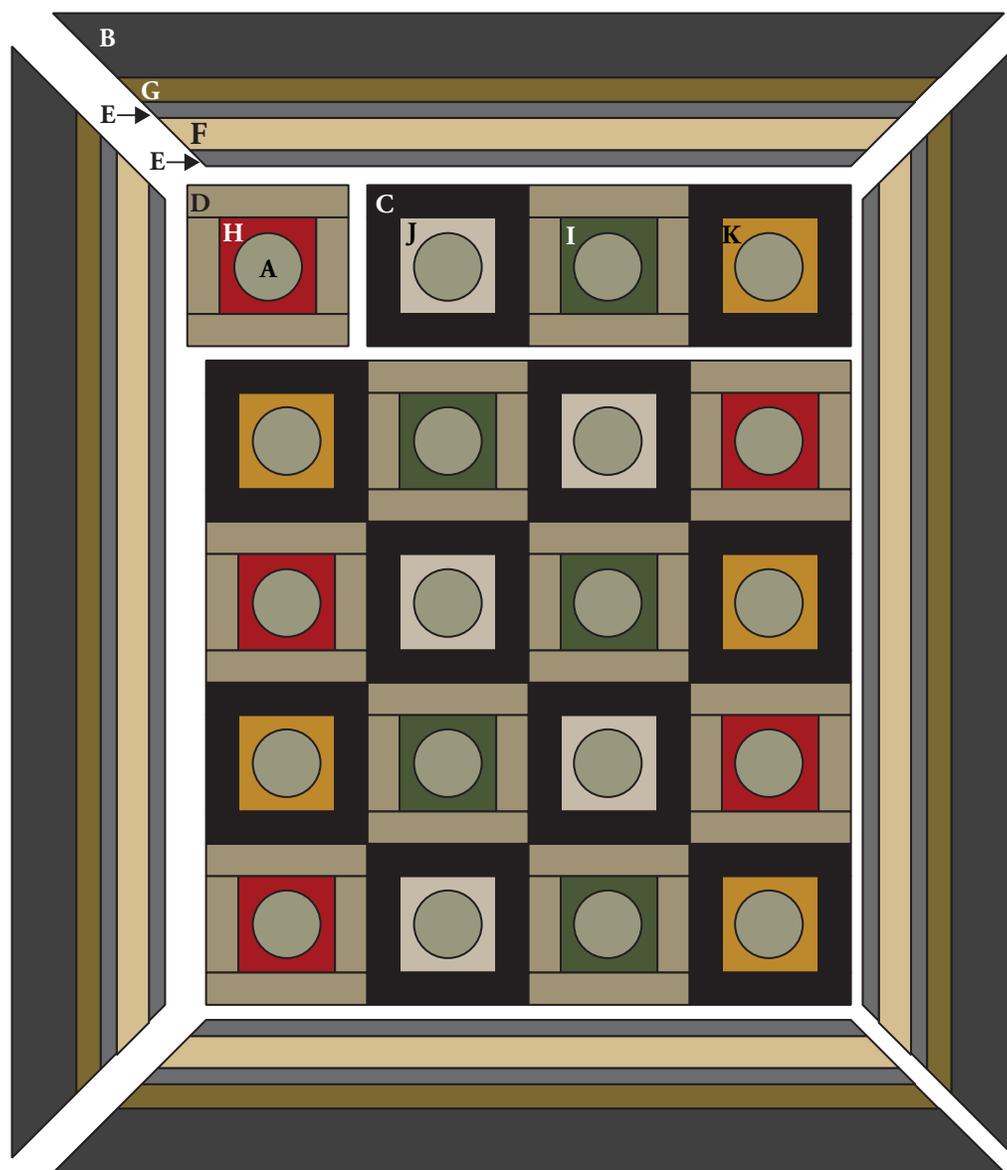

- Center a prepared, fussy-cut circle motif on an H square. Following the instructions for your fusible web, fuse the motif in place. Finish the raw edge with a wide zigzag stitch. Press. Measuring from the center, trim the appliqué square to 6 1/2" x 6 1/2". Repeat with remaining circles and H, I, J, and K squares.
- Sew (2) 2 1/2" x 6 1/2" fabric D rectangles to the sides of an appliqued and trimmed H square. Sew (2) 2 1/2" x 10 1/2" fabric D rectangles to the top and bottom of the block. Repeat to make 5 blocks with fabric H squares and 5 blocks with fabric I squares.

Flannel Winter Four All Seasons Quilt

3. In the same manner, make 5 blocks with fabric C rectangles and fabric J squares and 5 blocks with fabric C rectangles and fabric K squares.
4. Referring to the quilt assembly diagram, arrange the blocks as shown in five rows of four blocks. Join the blocks into rows. Join the rows.
5. Referring to the quilt assembly diagram and matching centers and ends, join (5) 71½" side border strips in numerical order, pressing after each addition. Repeat with the remaining side border strips. Similarly, join (5) 61½" top/bottom border strips in numerical order. Repeat with the remaining strips.
6. Matching centers and referring to the quilt assembly diagram for orientation, sew a side border unit to a side of the quilt, starting and stopping stitching ¼" away from the edges of the quilt. Repeat for the other side border unit. Similarly, sew the top and bottom border units to the quilt. Matching seams, miter the corners. Trim excess fabric, leaving ¼" seam allowance. Press.

Finishing

7. Join the 2 backing panels along the long edges and trim to fit the quilt with a 4" overlap. Layer the quilt top with batting and backing. Quilt in the ditch around the block patches and along the borders. Quilt around the printed motifs in the outer borders or as desired.
8. Join the binding strips end to end with diagonal seams. Bind to finish the quilt.
