About Snow Day

Growing up in the Midwest, it is a rare occurrence to get a Snow Day. Not that we don't get the snow — we do, it's just snow removal is so efficient, it rarely turns into a "true" Snow Day. This collection was inspired by childhood memories of the joy that a true snow day brings. — *Kim Schaefer*

Making the Quilt

1. Look at the quilt photograph to see where to fussy-cut the striped print to obtain the 5 1/2"-wide border strips. Cut side borders from the snowman stripe and top and bottom borders from the tree stripe.
2. Referring to the Quilt Diagram, sew the 2 1/2", 4 1/2", and 8 1/2" strips in the order shown. Press seam allowances open or in one direction.
3. Sew the side borders in place, turning the snow people print as shown. Sew the tree borders to the top and bottom, turning the print as shown.

Finishing the Quilt

4. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and patches. Quilt around the printed motifs as you wish. Bind to finish the quilt.
