About Winter Moons

There is something magical about the quiet of a winter evening when all you hear is your own breath and gentle footfalls of the creatures of the wild. I was inspired by that magic and the light of the moon on the creatures that inhabit those winter evenings. – *Patti Gay of Two Can Art*

Making the Quilt

1. Referring to the Block X diagram, sew Fabric J strips to each Fabric A 10" square. Make 4 X Blocks.
2. Referring to the Block Y diagram, sew Fabric J strips to each Fabric B 10" square. Sew a Fabric G 3" x 5" rectangle between 2 Fabric E 3" x 4" patches. Sew to the side of the block. Repeat on the opposite side. Sew 17" Fabric E strips to the top and bottom. Make 2 Y Blocks.
3. Make 4 Z blocks using Fabric D 10" squares. Note that the Fabric G and E patches reverse position in these blocks. Make 2 Z blocks.
4. Refer to the Quilt Diagram for the following steps. Patches and blocks are joined into 5 horizontal rows. Sew rectangles together in the order shown to make pieced units for each row. Once all the parts are made, join the blocks and pieced units into rows. Then join the rows.
5. Join long Fabric H borders to the sides of the quilt. Join shorter borders to the top and bottom.

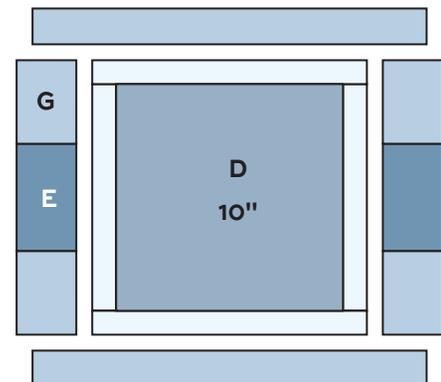

Block X – Make 4

Block Y – Make 2

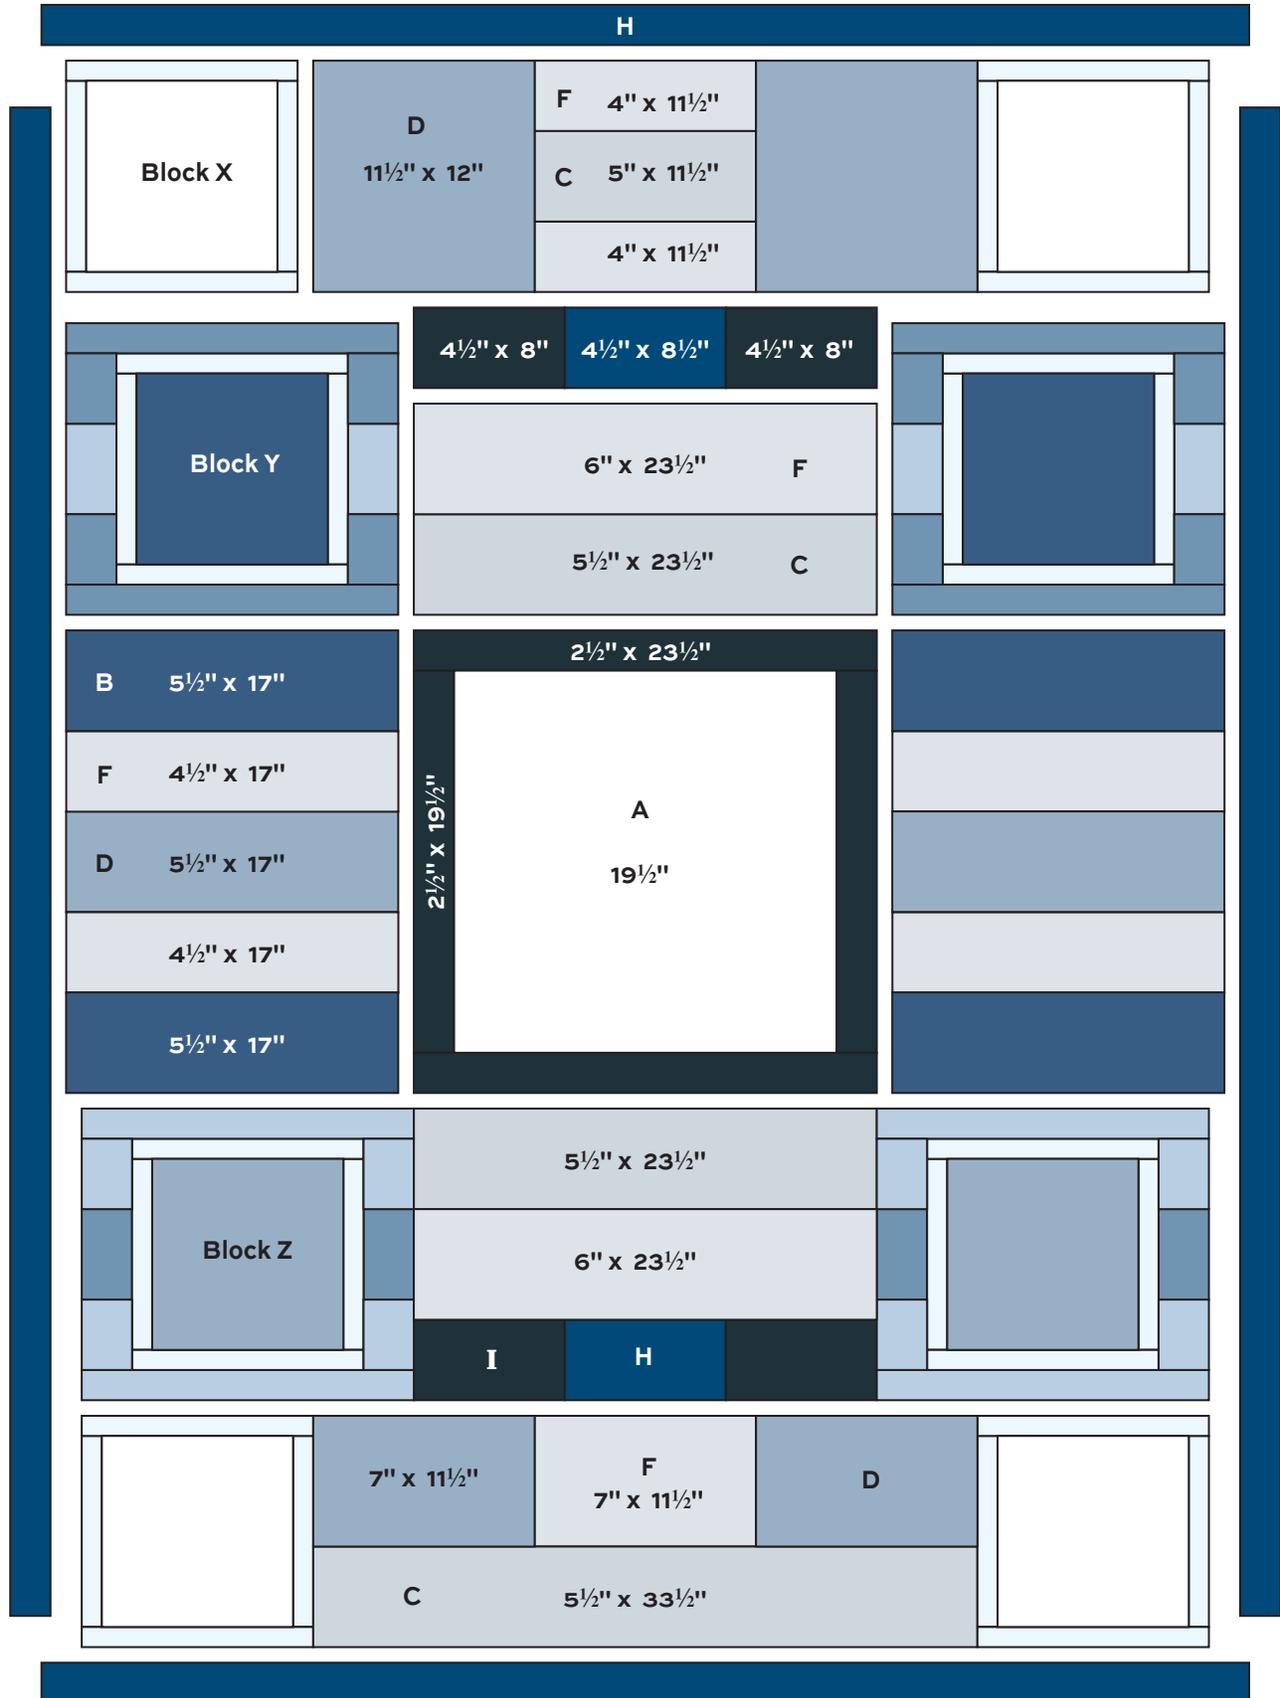

Finishing the Quilt

6. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt around the printed motifs in the patches. Bind to finish the quilt.
