## Block Cutting Directions

This quilt features 9 different blocks: Nine Patch, Railroad Crossing, Card Trick, Sawtooth Star, Friendship Star, Churn Dash, Double Pinwheel, Cake Stand, and King's Crown. All blocks finish at 8-1/2" square.

**Note:** Cutting directions are for 1 block. You'll be making 5 blocks of each type for a total of 45 blocks. The cutting directions refer to lights and medium/darks. Reverse lights and darks as you wish and remember that what is a medium in one block may appear light when paired up with a dark fabric. Different color combinations make for a truly rich and scrappy quilt, so have fun and mix your fabrics your way!
