Planning

Cuddle up with your favorite Alpha Buddies on a cold winter's night. Made from just squares this quilt is quick and easy to sew. Placing the squares in order will help a child learn their alphabet and become familiar with animal friends in a fun, colorful way.

You may wish to press fabrics with spray starch prior to cutting.

Making & Assembling the Quilt

1. Refer to the quilt diagram throughout the assembly. Arrange the 5" squares, alternating the print fabric squares with the Alpha Buddies squares. Rows 1, 2, 4, 6, and 8 have 4 print squares and 3 Alpha Buddies squares. Rows 3, 5 and 7 have 4 Alpha Buddies squares and 3 print squares. Note: the print squares are placed in diagonal rows of matching colors across the surface of the quilt top. Sew the rows together.
2. Sew the 1½" x 36½" borders to sides of quilt. Sew the 1½" x 34" borders to top and bottom of quilt.
3. Sew the 4" x 38½" borders to sides of quilt. Sew the 4" x 41" borders to top and bottom of quilt.

Finishing the Quilt

4. Layer quilt with batting and backing. Quilt in diagonal lines across the print squares in both directions. Outline quilt around the animals in the Alphabuddies blocks. Bind with purple animal scatter print to finish quilt.
