Featuring Andover Fabrics new Collection: Barbados by Modern Quilt Studio
Quilt designed by Modern Quilt Studio

Quilt finish size 50" x 74"

We wanted to create a light and airy line that had the charm of the 1930s feedback prints but with large enough repeats that the fabrics could be used at either a small or large scale. By introducing white in the outlines of the prints as opposed to the background of the motifs, quilters will find that these prints seam beautifully and coordinate perfectly with the Color Collection prints already in their stashes. The result is a colorful, but not too loud, line of prints that will appeal to modern and traditional quilters alike.

Cutting Directions

Note: Read assembly directions before cutting.

Borders are cut to exact length required plus 1/4" seam allowance. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).
