# Stargazer Quilt

Introducing Andover Fabrics new collection: **BLUE SKY** by Laundry Basket Quilts

Quilt designed by Edyta Sitar

Quilt finishes 72" x 72"

4 Blocks: 36" x 36"

*This graphic star quilt is suitable for quilters with little experience or for anyone who wants to make a beautiful wall quilt that packs a punch. The oversize blocks are easy to make, and the placement of light, medium, and dark prints adds secondary, unexpected designs. What exactly is the block? The large patches are the perfect place to show off the small- and large-scale prints.*

## Cutting Directions

**Note:** Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. Borders are cut the exact lengths required plus 1/4" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

## Fabric Requirements

From each of 10 white strips:

Cut (2) squares 10" x 10", cut in half diagonally to make 4 half-square triangles (40 total triangles)

### 5 White Prints

From each:

Cut (3-4) squares 10" x 10", cut in half diagonally to make 6-8 half-square triangles (36 total triangles)

### Fabric A

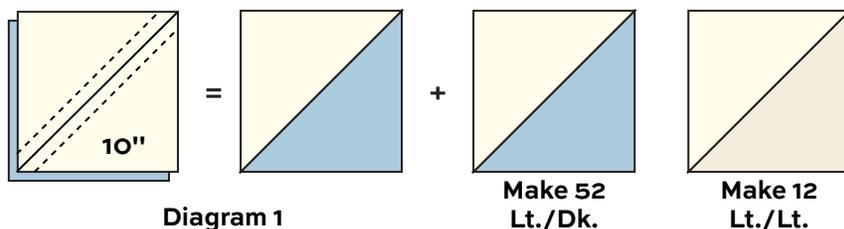

Cut (9) strips 2 1/2" x WOF for binding

### Backing

Cut (2) panels 40" x 80", pieced to fit quilt top with overlap on all sides

## Making the Quilt

1. The blocks use half-square triangles (HST) that finish 9" square. Use your favorite method to make HST, or follow these directions. Draw a diagonal line on the wrong side of each light 10" square (Diagram 1). Place a marked square on a dark square, right sides together. Sew 1/4" seam on each side of the marked line; cut apart on the marked line. Press open to make pieced HST. Trim the HST squares to 9 1/2". Make 52 HST using light and dark squares, and make 12 using light squares.

2. Referring to the block diagram, join 13 light/dark HST with 3 light/light HST into 4 rows, being careful to rotate the HST as shown so the star is formed. Make 4 blocks.

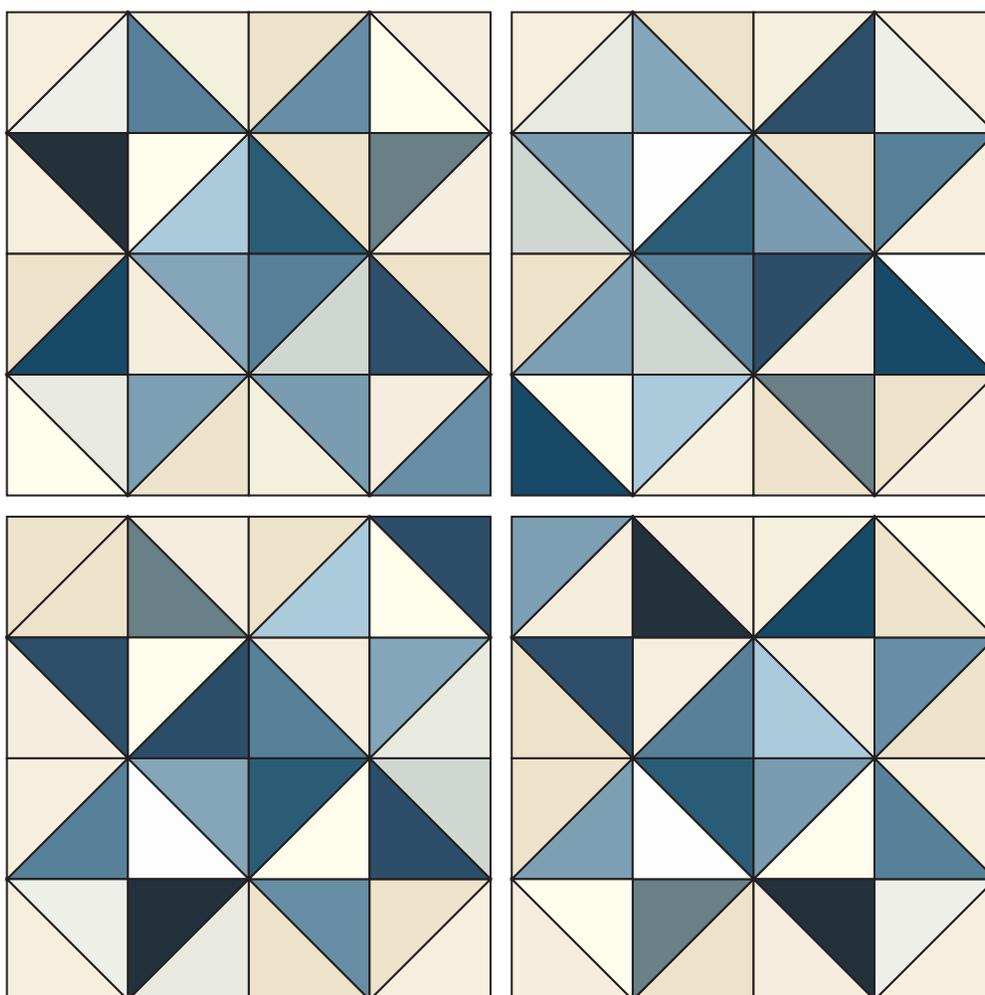

3. Refer to the Quilt Diagram to join the 4 blocks, being sure that dark triangles touch in the center of the quilt.

## Finishing the Quilt

4. Layer the quilt with batting and backing and baste. Quilt in the ditch around block patches. Quilt around the printed motifs in the blocks, or quilt an overall pattern. Bind to finish the quilt.
