Making the Quilt

1. Referring to the Band 1 diagram, sew 2 Fabric D 3" x WOF strips to a Fabric I 8" strip to make the band. Press seam allowances toward the D strips. Cut the band into 12 segments that are each 3" wide. Referring to the Block Y diagram, sew a Fabric I 3" x 8" rectangle to the sides of a Fabric A 8" square, orienting the square so the words remain upright. Sew Band 1 segments to the top and bottom. Make 6 Block Y.

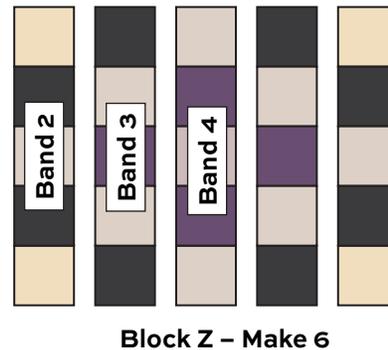

2. Join the appropriate 3" x WOF strips to make 1 Band 2 and 1 Band 3. Press all seam allowances away from the light strips. Cut each band into 12 segments that are each 3" wide. Join the appropriate 3" x 20" strips to make 1 Band 4. Cut the band into 6 segments that are 3" wide. Referring to the Block Z diagram, join 2 Band 2 segments, 2 Band 3 segments, and 1 Band 4 segment in the correct order to make a Block Z. Press the seam allowances open. Make 6 Block Z.

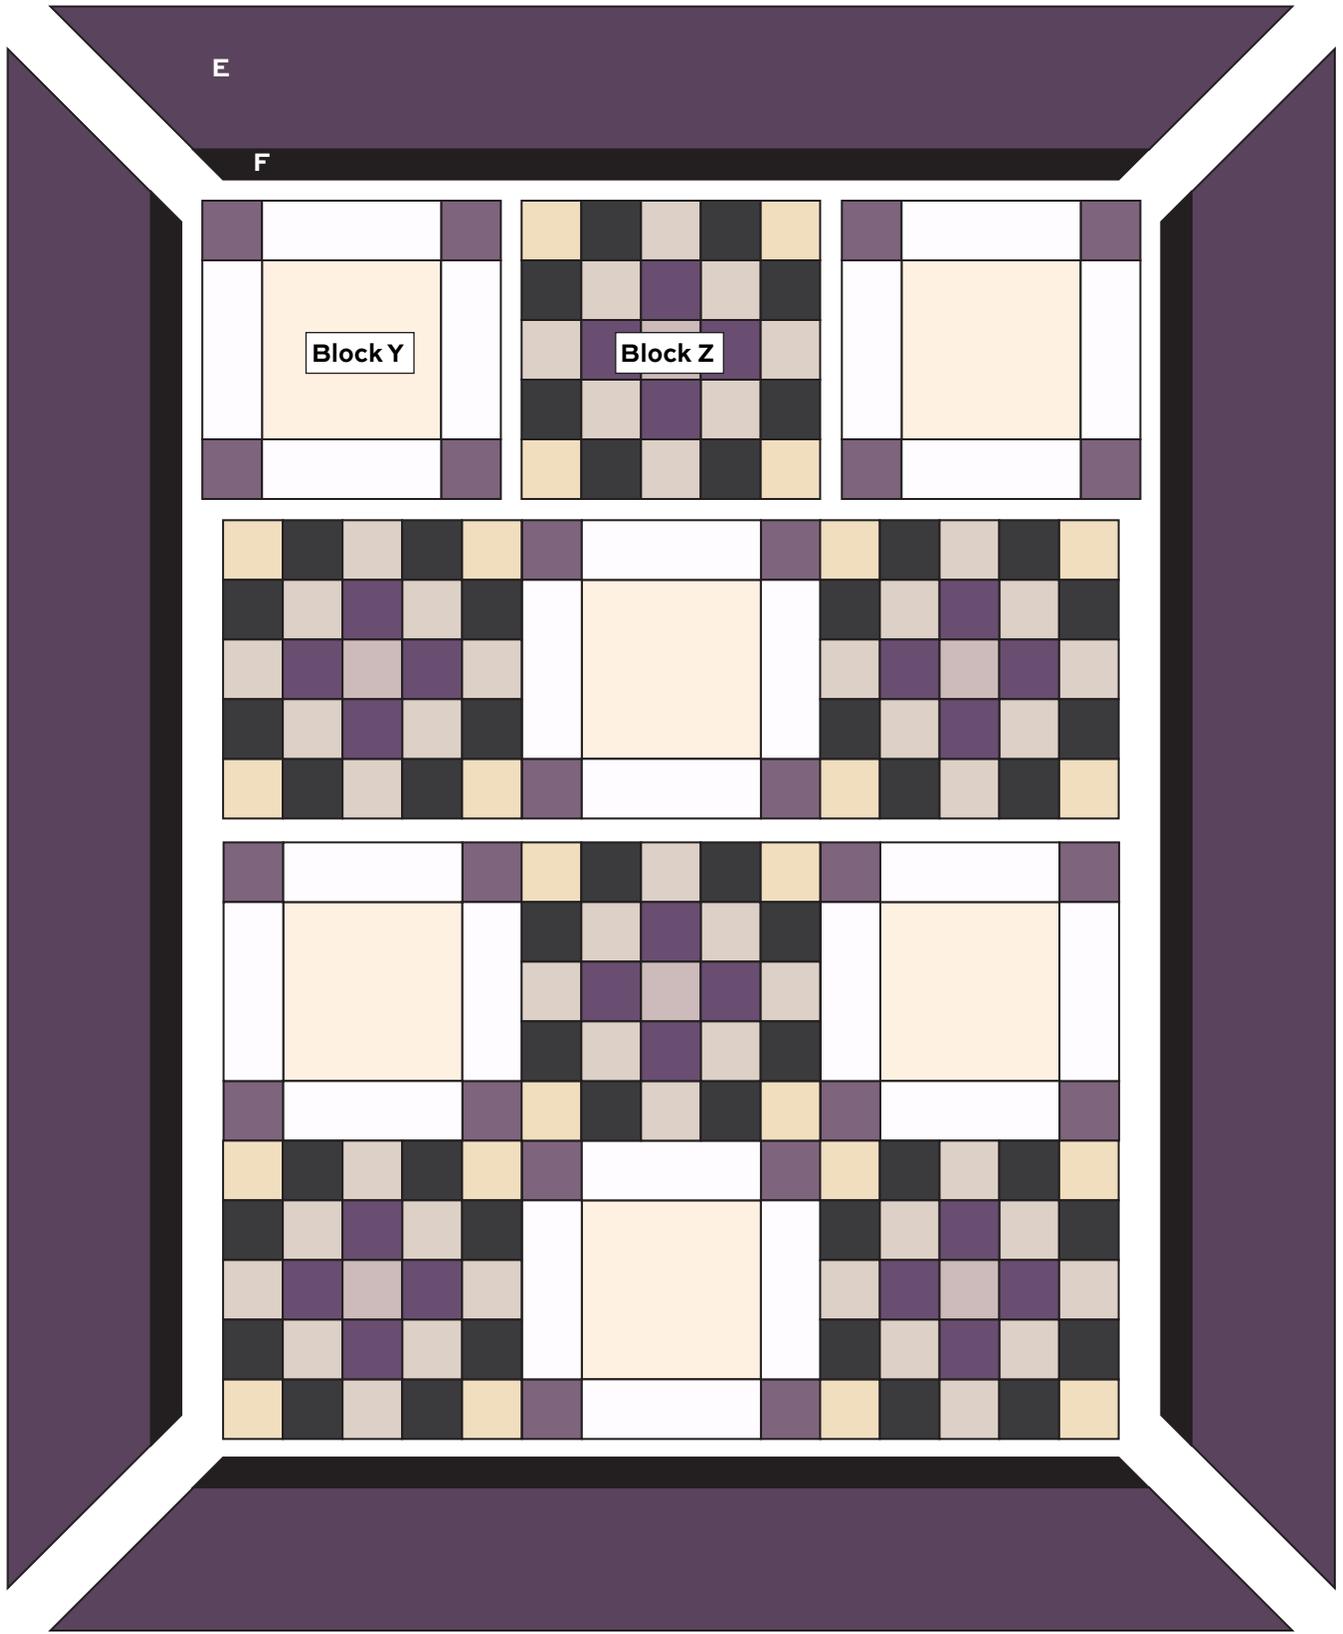

3. Referring to the Quilt Diagram, arrange the blocks in 4 rows, alternating types as shown. Be sure the Y blocks are oriented so the text remains upright. Join the blocks to make 4 horizontal rows. Join the rows.

4. Fussy-cut the 4 Fabric E borders lengthwise from the same part of the print, centering the stripe as shown in the quilt photograph. Matching centers, sew the long Fabric F borders to the long Fabric E borders. Sew the borders to the sides of the quilt, starting and stopping stitching 1/4" from the quilt's raw edge. Sew shorter Fabric F borders to the shorter Fabric E borders. Sew the borders to the top and bottom. Miter the corners and trim the excess.

Finishing the Quilt

5. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt around the printed motifs in the blocks and outer border. Bind to finish the quilt.
