## About Fresh Flowers 2

We took a trip to the local flower market with the last line, Fresh Market Flowers. As a follow up, we wanted to take a look at the flower market we have available right in our backyard. We hope you enjoy using these prints to create your own unique "bouquet." — *Firetrail Designs*

# Fresh Market Flowers 2 Quilt

Introducing Andover Fabrics new collection:  
**FRESH MARKET FLOWERS 2** by Firetrail Designs  
Quilt designed by Firetrail Designs

Quilt finishes 58" x 58"  
8 Pieced Blocks: 9" x 9"

*Whether you are a gardener or just an admirer of flowers, the floral prints in this collection are sure to delight you. The novelty print squares are set together with simple pieced blocks made of only three patches each. The white sashes and black frames around each garden scene add a bold design element to the tranquil quilt.*

## Cutting Directions

**Note:** Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/8 is a 9" x 20"-22" cut of fabric. Borders are cut the exact lengths required plus 1/4" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

## Making the Quilt

1. Cut the Fabric A squares carefully, including a 1/4" seam allowance around the 9" centers.

2. Referring to the Block Diagram, arrange and join one of each size rectangle (cut from the fat 1/8 yard fabrics) to make a pieced block. Note the arrangement of the rectangles differs in the blocks. Refer to the quilt photograph for fabric selection, or make your own combination of prints. As long as the 3 rectangles are cut from 3 different fabrics, your blocks will be successful. Make 8 blocks total.

**Block**  
**Make 8 Variations**

3. Referring to the Quilt Diagram, arrange 2 Fabric A squares and 2 pieced blocks in a horizontal row. Turn the pieced blocks as you wish. Sew the blocks with 5 Fabric D short sashes to make a block row. Make 4 rows, alternating the printed squares and blocks in the order shown.

4. Sew the block rows between 5 long sashes.

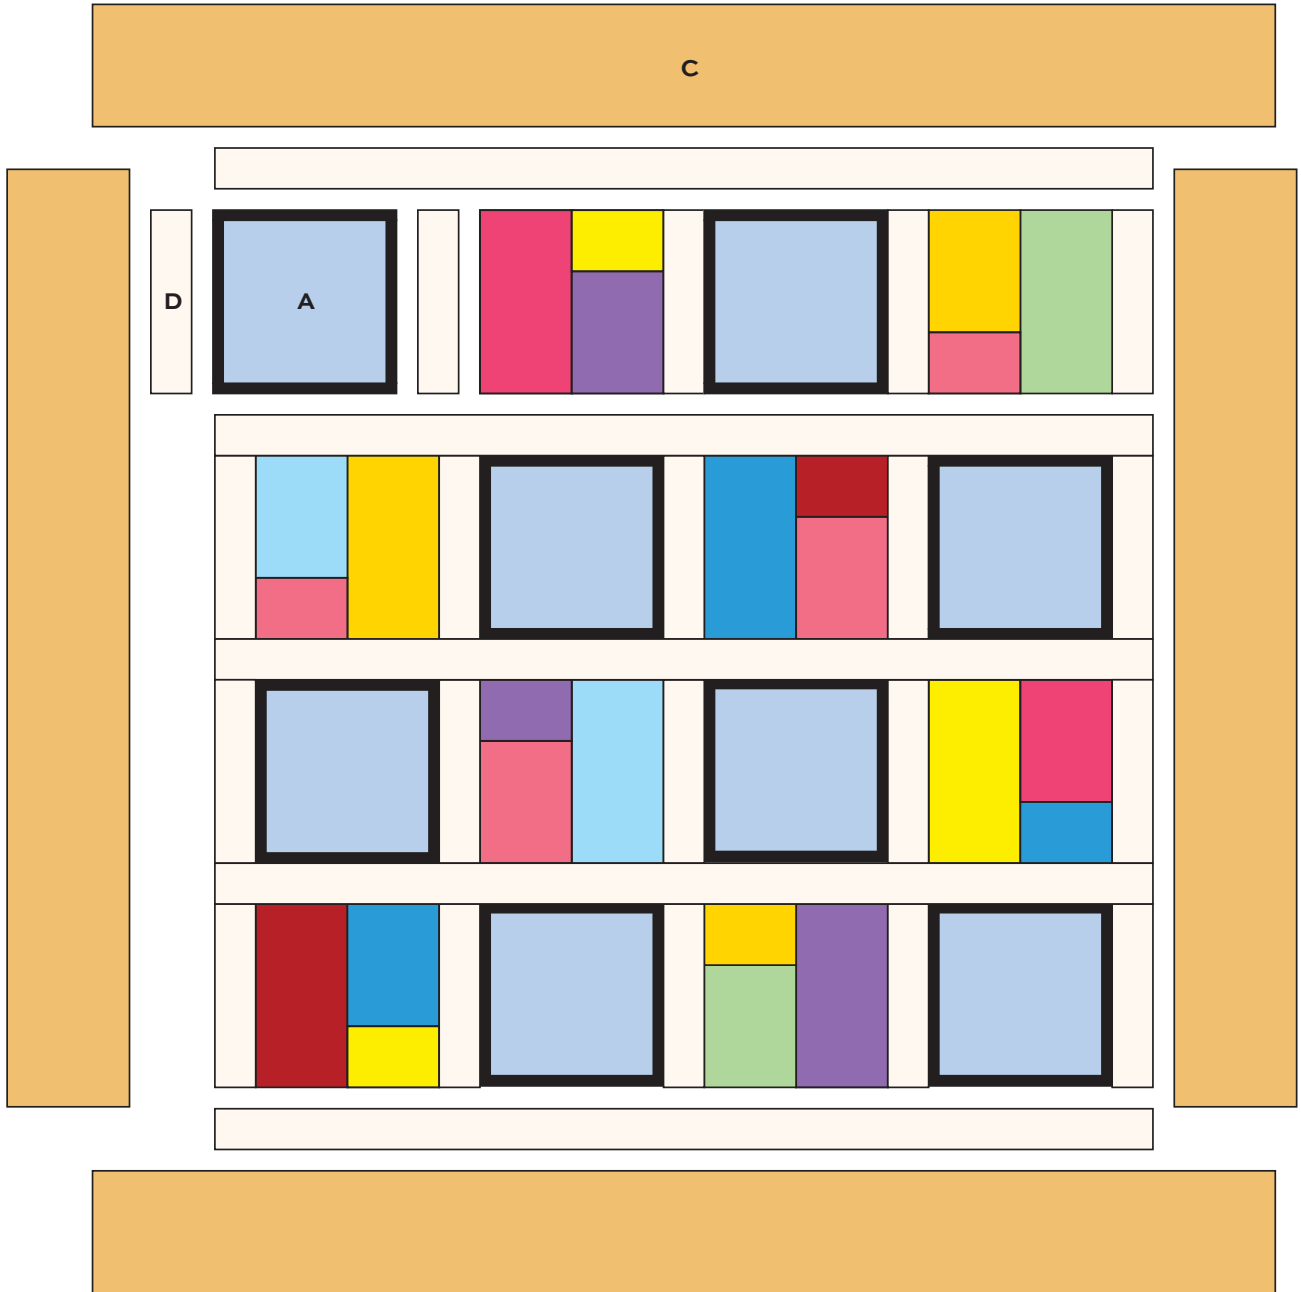

5. Sew the shorter border strips to the sides of the quilt. Sew the longer strips to the top and bottom.

## Finishing the Quilt

6. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt around the motifs in the printed squares, blocks, and outer border. Bind to finish the quilt.
