Making and Assembling the Quilt

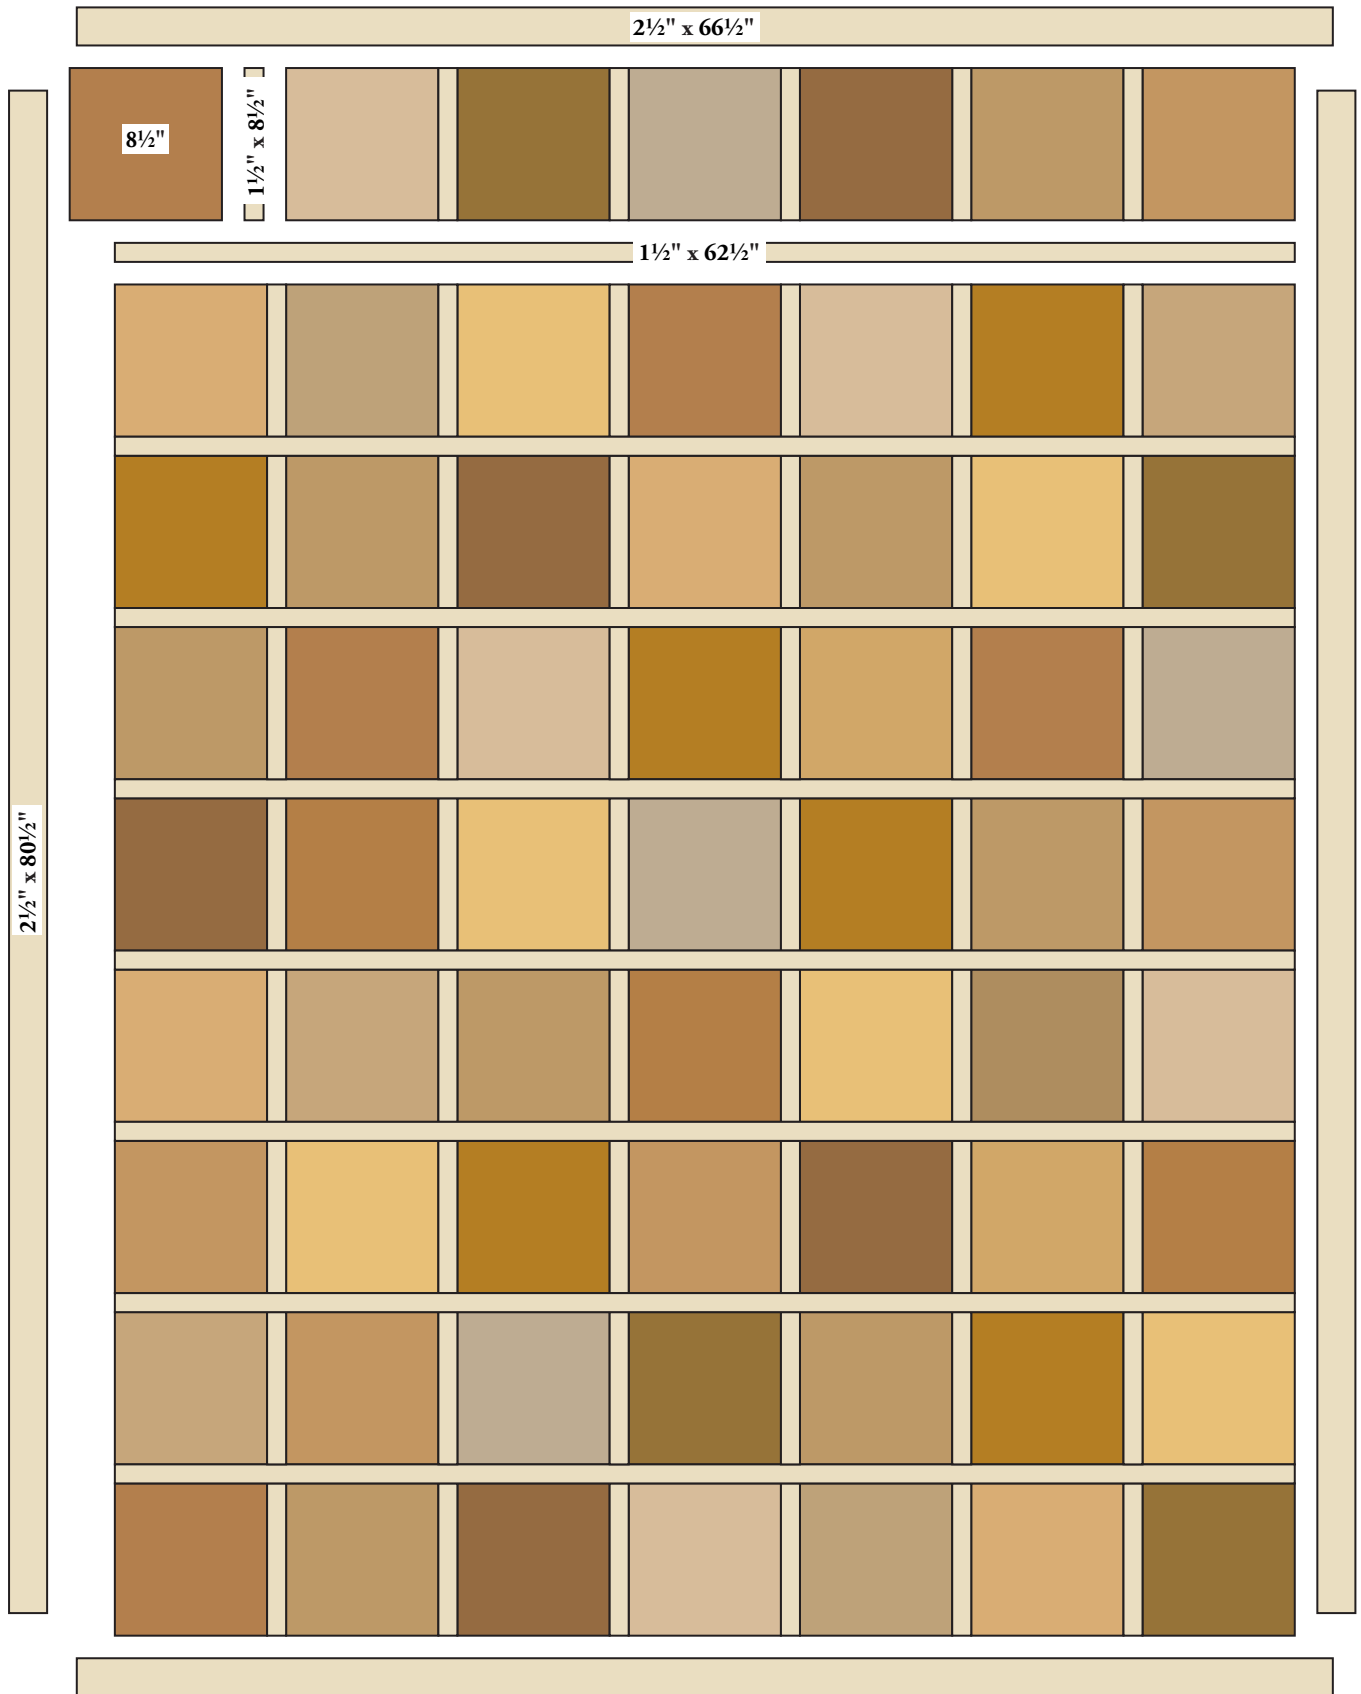

1. Refer to the Quilt Diagram throughout the assembly. Arrange the 63 light print 8½" squares randomly. Join 7 squares with 6 short sashes to make a horizontal row. Make 9 rows. Join rows alternately with 8 long sashes.

2. Sew the long borders to the sides. Sew the shorter borders to the top and bottom.

Finishing the Quilt

3. Layer quilt with batting and backing. Machine quilt an overall meandering stitch across the quilt, or quilt a motif of your choice in each 8½" square. Bind with dimples print to finish quilt.
