Olivia™ TV Quilt

Introducing Andover Fabrics new collection: Olivia™ TV by Ian Falconer

Quilt designed by Jean Ann Wright

Olivia™ is now a celebrity. The beloved little piglet is the star of her very own family sit-com. Your little ones will want to make up tales of Olivia™ and her family based on the fun images. Make the quilt for your favorite Olivia™ fan, or guide the beginning sewer to help her put the quilt together. The piecing is as easy as it gets. Simple borders surround the large printed panel to make this very special twin-bed size quilt.

Quilt finishes 58" x 74"

Making and Assembling the Quilt

1. Refer to the quilt assembly diagram throughout. Sew the 42½" long fabric G strips to the sides of the fabric A center panel. Sew the 26½" borders to the top and bottom.
2. Join the 2½" fabric E, F and H squares to make the pieced borders, following the diagram carefully to stitch the squares in the correct order. Sew the longer borders to the sides and the shorter borders to the top and bottom.
3. Sew the 48½" fabric G strips to the sides of the quilt. Sew the 32½" borders to the top and bottom.
4. Sew the 50½" fabric F border strips between the fabric D 7½" and fabric B 5½" border strips, noting the orientation of the printed words in the 7½" strips. Sew to the sides, positioning the 7½" borders next to the quilt.
5. The fabric C striped borders are cut from two different portions of the fabric so that the stripes are on the outer edges of the top and bottom. Study the quilt illustration, noting where to cut the two borders. Remember to add ¼" seam allowances along the long edges.
6. Sew the 58½" fabric F border strips to the appropriate long edge of the two fabric C striped border strips. Sew to the top and bottom.

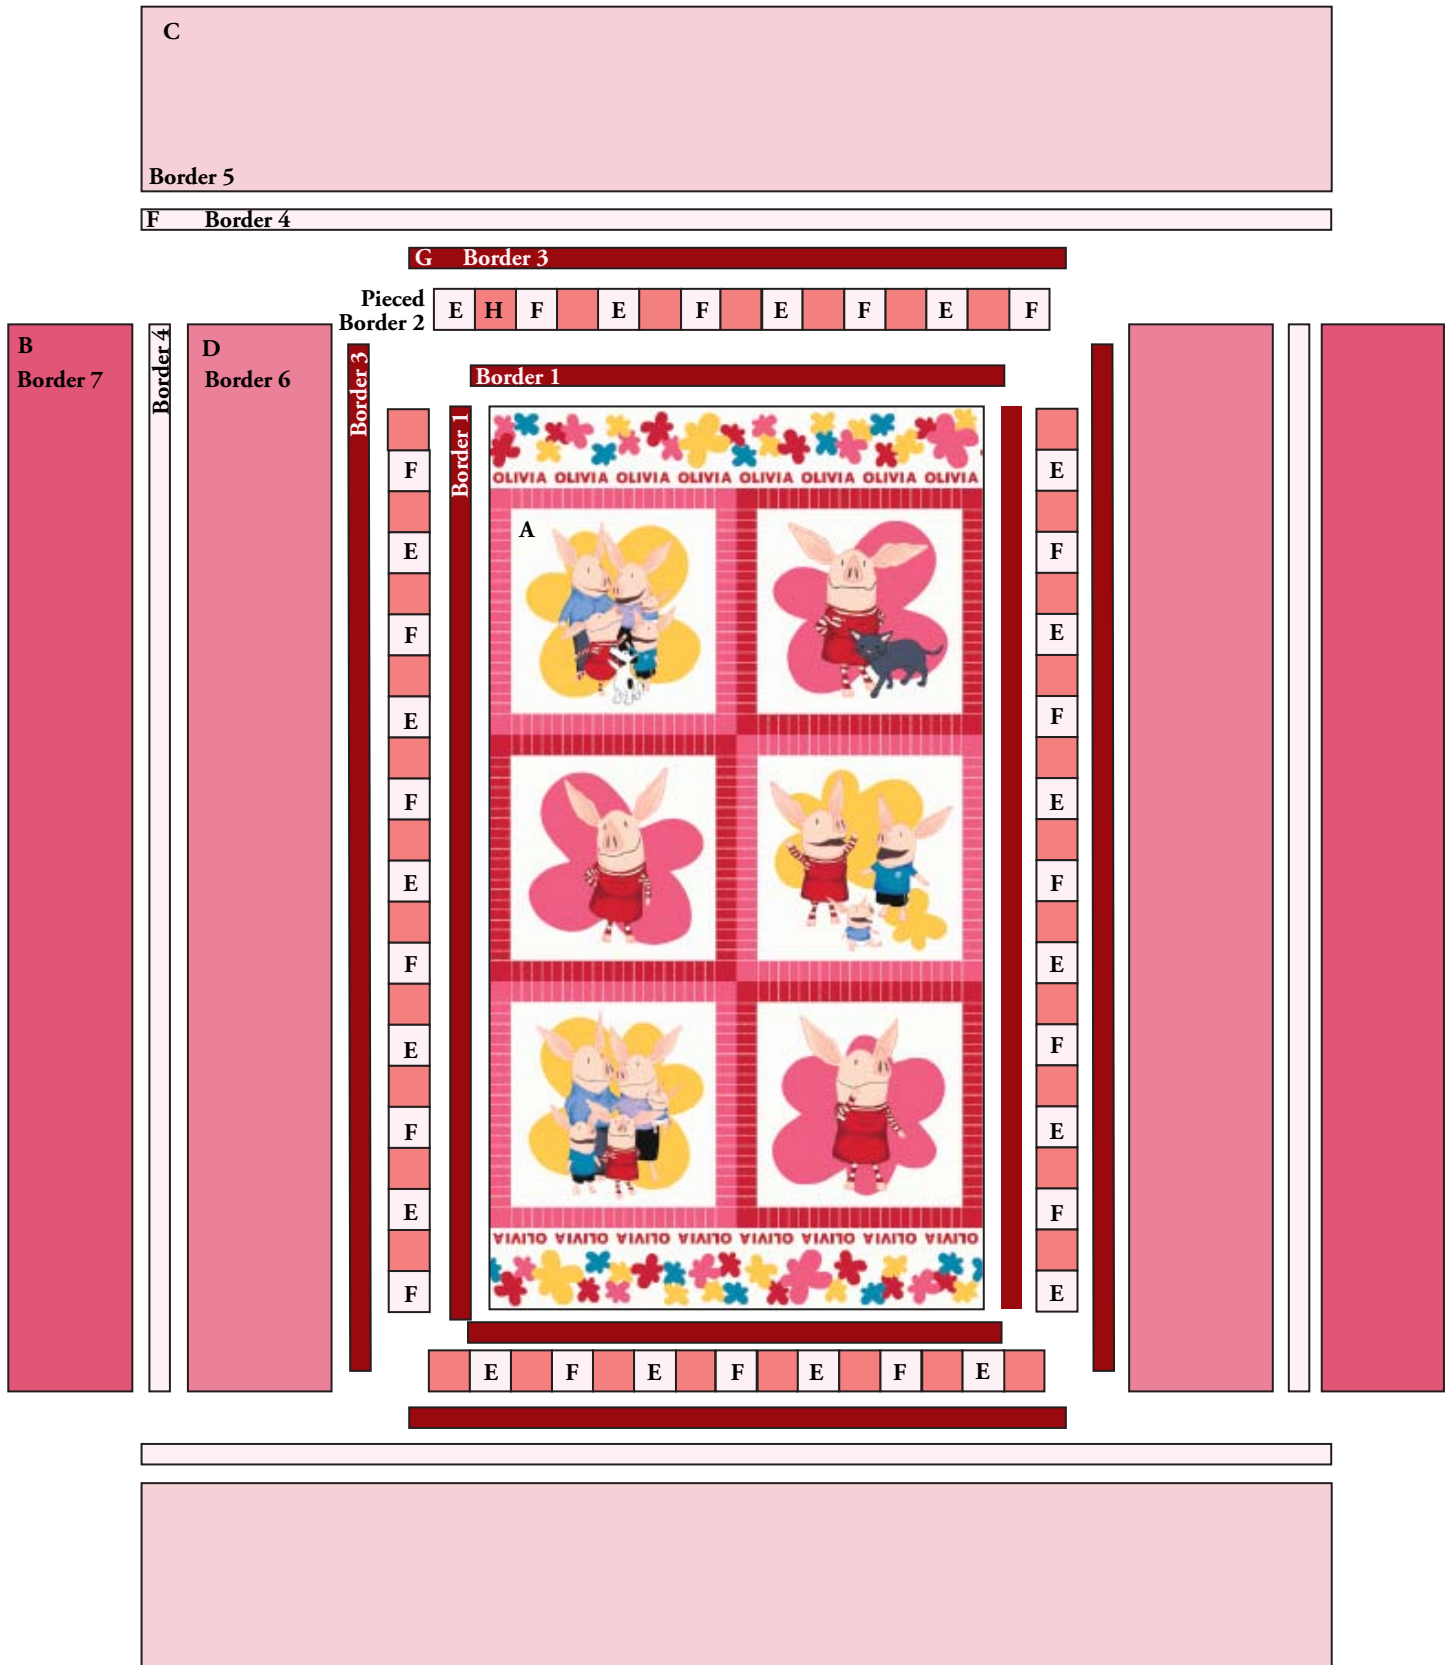

Finishing the Quilt

7. Layer quilt with batting and backing. Quilt along the seams of all borders. Quilt in the ditch around the printed motifs. Bind to finish the quilt.
