Provence Quilt

Introducing Andover Fabrics new collection: **PROVENCE** by Cathy Nordström
Quilt designed by Cathy Nordström

Quilt finishes 60" x 80"
12 Blocks: 10" x 14"

Sail a peaceful sea with this adorable quilt made with patriotic red, white and blue prints (the colors of the French flag as well as America's). Boats with flags flying east or west and boats with no flags add subtle interest. The piecing is easy, and the large blocks will help you get your boats into the water quickly.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include ¼" seam allowances. A fat ⅛ is a 9" x 20"-22" cut of fabric. A fat ¼ is an 18" x 20"-22" cut. Borders and sashes are cut the exact lengths required plus ¼" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

Province Quilt

Making the Quilt

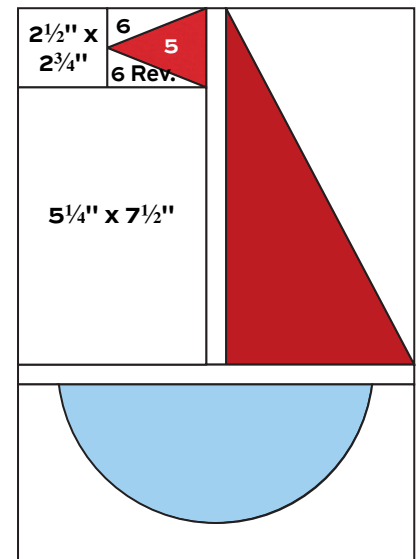

1. Six fabrics (fat 1/4's) have directional prints. Be careful that you cut patches from these fabrics so the print remains upright when stitched into the blocks. Feel free to cut the sails and boat bottoms from the fabrics as you desire, or follow the quilt photograph to obtain the quilt shown. On the wrong side, mark the sewing lines and dots on the curves of fabric Templates 3 and 4.
2. On a flat surface, arrange the patches for a Block V to be certain that you are using the correct templates, and you have rotated the directional prints as you wish. Position fabric Template 4 on top of Template 3, right sides together. Pin and stitch the patches together, matching sewing lines and dots along the curved edges. Press the seam allowance toward the boat bottom. Join Fabric B Template 1 with the Template 1 sail. Repeat with Template 1 Reversed patches. Press the seam allowance toward the sails. Sew the 1" x 9 1/2" Fabric B strip between the sails. Sew the 1" x 10 1/2" strip to the bottom of the sails. Finally, stitch the boat bottom to the block. Make 6 Block V.
3. Repeat the steps above to make the number of blocks as indicated in the block diagrams.
4. Referring to the Quilt Diagram, join 3 blocks alternately with 4 Fabric B short sashes to make a horizontal row. Make 4 rows. Join the rows alternately with 5 Fabric B long ashes.
5. Sew long Fabric A borders to the sides. Sew short Fabric A borders to top and bottom.

Finishing the Quilt

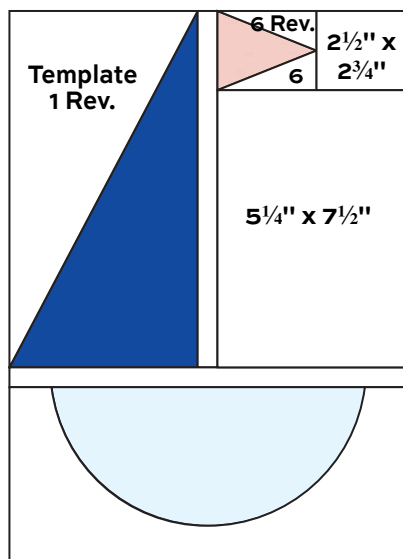

6. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt Fabric B background patches as you wish. Bind to finish the quilt.
