About Quantum

I have spent most of my time as a quilter in search of a fabric collection that encompasses all the things I love to work with: deeply saturated hues with pops of bright color, and designs that play well both when cut into small pieces and large ones. The designs are a mix of delicate line work and razor sharp edges against clean curves and lines that intersect infinitely. — *Giucy Giuce*

Making the Quilt

1. Referring to the Quilt Diagram, sew shorter Fabric C strips to sides of the A squares. Sew longer Fabric C strips to the top and bottom. Likewise, sew Fabric D strips to the Fabric B squares. The blocks should measure $28\frac{1}{2}$ " square. Set aside.
2. If you wish your quilt to look like the one shown, it is important to pay attention to the colors as you cut the $2\frac{1}{2}$ " x $4\frac{1}{2}$ " rectangles. Some colors are used in 6 Flying Geese (F.G.) units, some in 10, some in 14, and some in 16 units. The pieced Flying Geese units used in the sashes are made with this simple, error-free method. Draw a diagonal line on the wrong side of each Fabric E $2\frac{1}{2}$ " square. Place a marked square on one end of a $2\frac{1}{2}$ " x $4\frac{1}{2}$ " rectangle, right sides together. Sew on the marked line; trim away and discard excess fabric (Diagram 1). Press open. Repeat this process on the opposite end of the rectangle (Diagram 2) to make a Flying Geese unit. Be sure that it measures $2\frac{1}{2}$ " x $4\frac{1}{2}$ ". Make 228 total.
3. Referring to the Flying Geese figures, join 14 appropriate Flying Geese units to make 6 F.G. 1 sashes and 6 F.G. 2 sashes. Join 5 appropriate Flying Geese to make 4 each of F.G. 3 and F.G. 4, and 2 each of F.G. 5 and F.G. 6. Press seam allowances in each sash toward the "noses" of the Flying Geese.
4. Refer to the Quilt Diagram for the remaining directions. On a large flat surface, lay out the parts in 7 rows as shown, paying careful attention to the orientation of the Flying Geese sashes and the rotation of the Fabric A and B motifs in the blocks. Take note of how the Flying Geese sashes surround the C, G, and H $4\frac{1}{2}$ " squares. Once you are satisfied with the arrangement, join the parts into rows. Press seam allowances away from the Flying Geese. Join the rows.

Finishing the Quilt

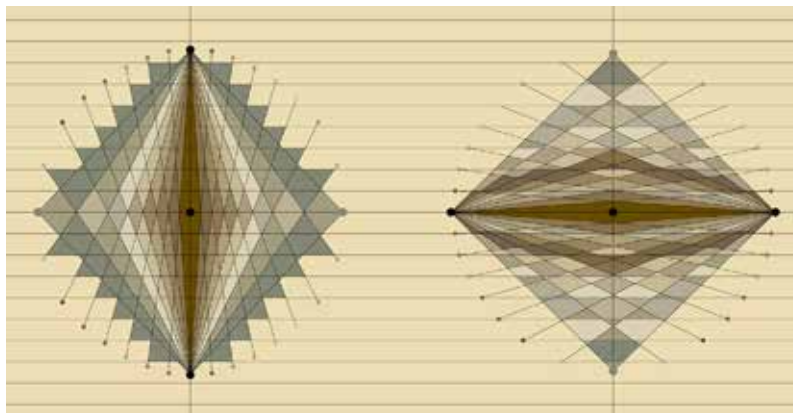

5. Layer the quilt with batting and backing and baste. Quilt in the ditch around sashes, block patches, and Flying Geese. Quilt around the printed motifs in the blocks. Quilt Fabric E patches as you wish. Bind to finish the quilt.
