Making the Quilt

1. Fabric A rectangles are cut so the print is oriented upright in the blocks, as shown in the quilt photograph. Cut 12 of the rectangles crosswise and cut 12 lengthwise.
2. Referring to the Block Diagram, join patches B/F/B and patches F/E/F into rows as shown. Join the rows to make the block center. Sew Fabric A rectangles to the sides of the center, noting the orientation of the printed motif. Sew the pieced G/A/G units to the top and bottom. Repeat to make 6 blocks.

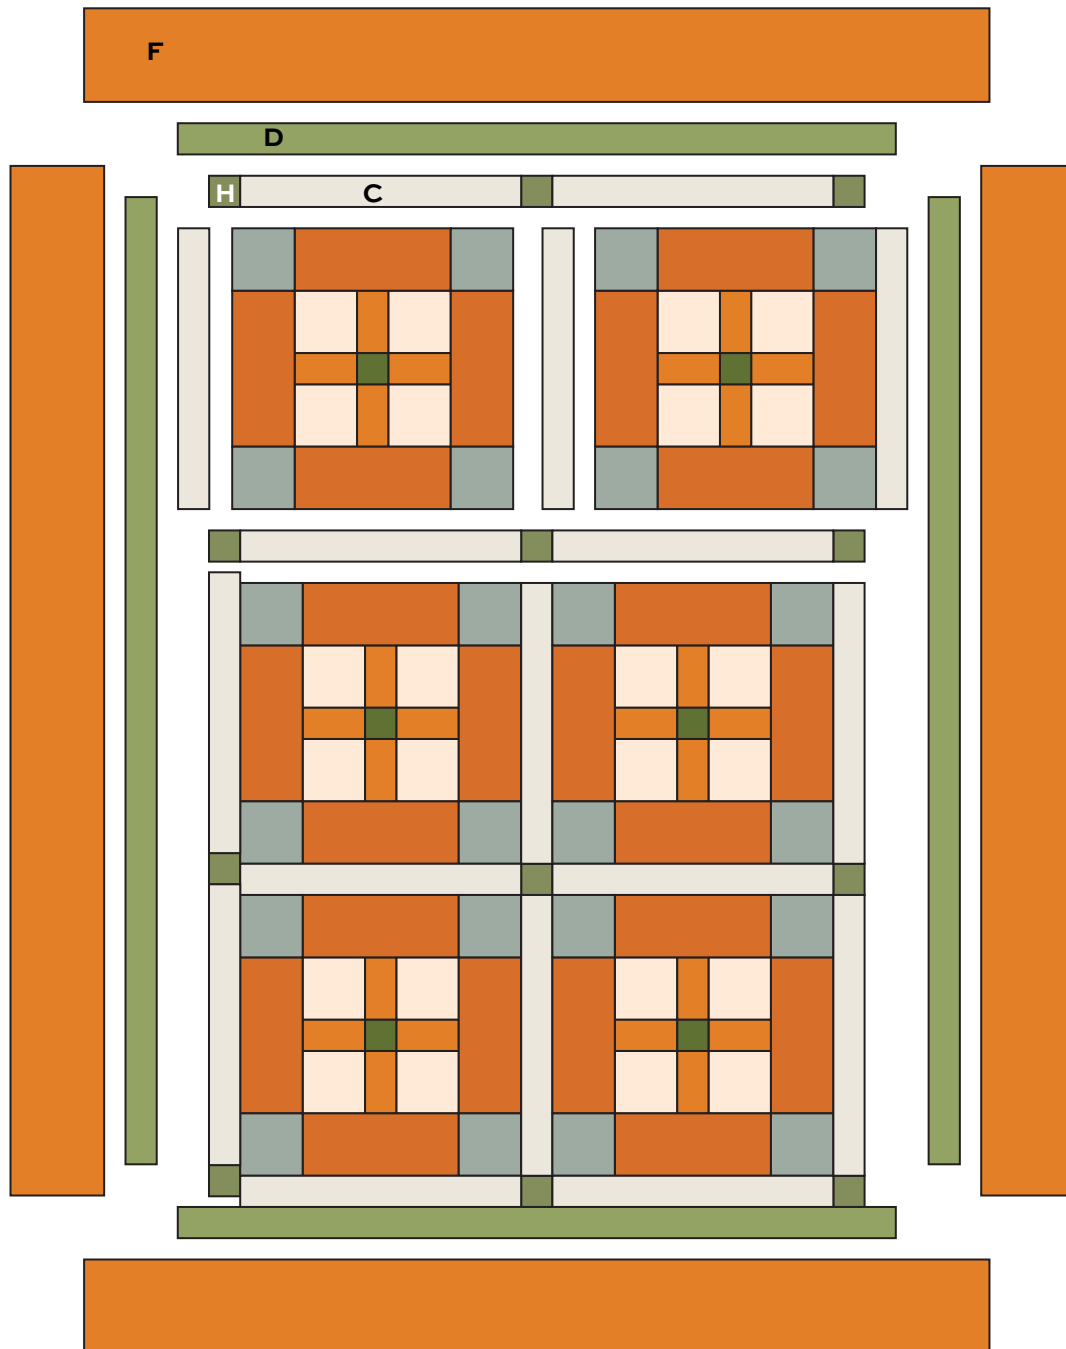

Block – Make 6

Sherwood Quilt

- Referring to the Quilt Diagram, join 2 blocks and 3 sashes to make a block row. Be sure to turn the blocks to orient the Fabric A patches correctly. Make 3 block rows. Join 3 setting squares with 2 sashes to make a sash row. Make 4 sash rows. Join the block rows alternately with the sash rows.
- Sew long Fabric D borders to the sides and shorter borders to the top and bottom. Repeat with Fabric F borders.

Finishing the Quilt

- Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt around the printed motifs in the blocks. Quilt the outer border as you wish. Bind to finish the quilt.
