Welcome

So lovely and so soft-looking...this timeless quilt fills any room with a welcoming touch. While the pineapple blocks may look daunting, they're really very doable. Our diagrams walk you through the traditional method of adding strips in rounds.

Each round of strips is cut from one fabric. For a better variety in blocks, cut at least one set of first, second, and third round strips from each fabric.

Becky chose to use the red dragonflies print for the third round in the center block, thereby matching the middle border and binding. Do likewise if you wish.

Strip Cutting For 1 Block

Reminder: Each **round** in a block is cut of a **different** fabric.

First round, in numerical piecing order:

- Cut (1) 1¼" x 2¾" strip Strip #1
- Cut (6) 1¼" x 3¾" strips Strips #2 through #7
- Cut (1) 1¼" x 4¾" strip Strip #8

Second round, in numerical piecing order:

- Cut (1) 1¼" x 3½" strip Strip #9
- Cut (6) 1¼" x 4½" strips Strips #10 through #15
- Cut (1) 1¼" x 5½" strip Strip #16

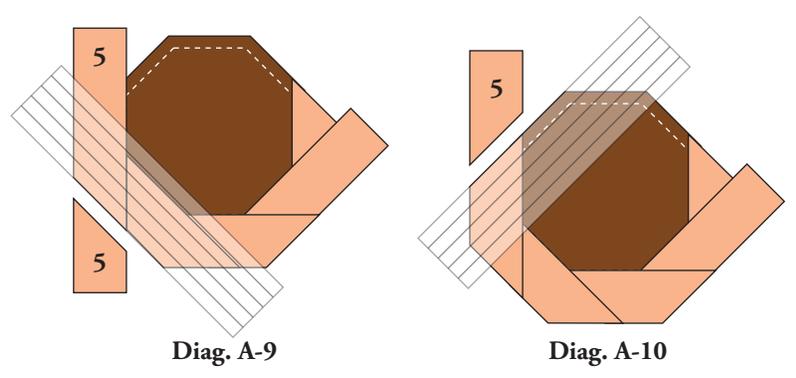

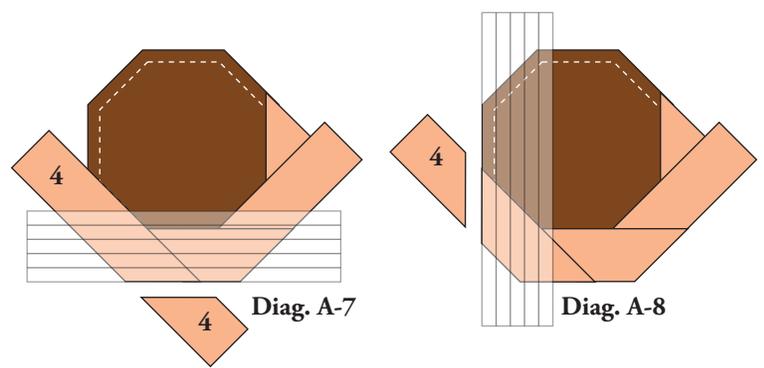

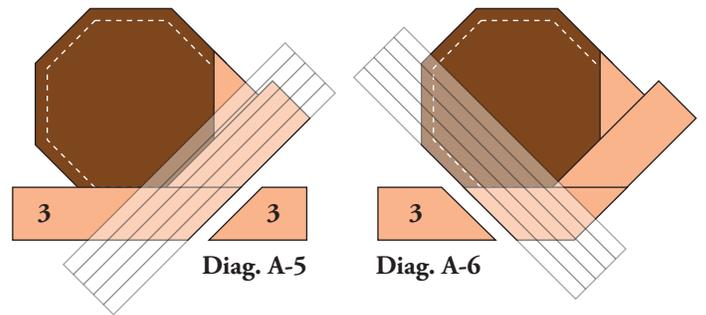

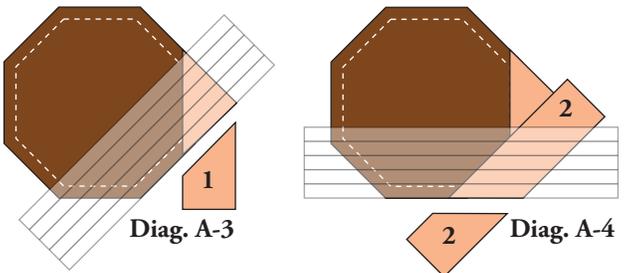

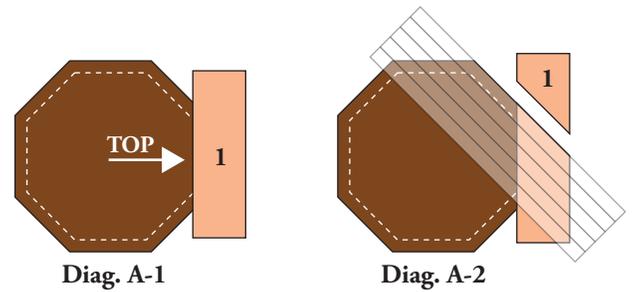

Third round, in numerical piecing order:

- Cut (1) 1¼" x 4" strip Strip #17
- Cut (6) 1¼" x 5" strips Strips #18 through #23
- Cut (1) 1¼" x 6" strip Strip #24

Piecing the Blocks

Note: All trimming of strips is done with rotary cutter, ruler, and mat.

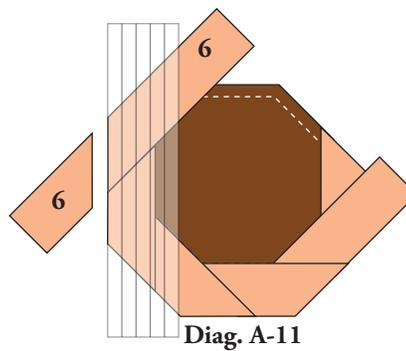

1. Referring to Diagram A-1, stitch strip #1 to top side of Template A octagon. Trim both ends of strip even with adjoining sides of octagon as shown (Diagrams A-2 and A-3). Working in a clockwise fashion and referring to Diagram A-4, center and stitch strip #2 to trimmed side of strip #1 and adjoining side of octagon. As shown in Diagram A-4, trim **one end only** of strip #2 even with adjoining side. In same manner, stitch strip #3 to octagon and **trim both ends** of strip even with adjoining sides as shown (Diagrams A-5 and A-6).
2. Referring to Diagrams A-7 thru A-13, continue adding strips (trimming both ends) in this manner until strip #7 has been sewn on and left end trimmed. Referring to Diagram A-14, trim right end of strip #7 and remaining end of strip #2 even.
3. Sew strip #8 to strip #7, octagon, and strip #1 (Diagram A-14). Trim end next to strip #7 in usual way.
4. Referring closely to Diagram A-16, position ruler so that 1" line on ruler is on first seam sewn (between strip #1 and octagon). Position ruler carefully to ensure that cut will be parallel to seam. Cut along edge of ruler, through both strip #8 and strip #2.
5. Referring to Diagram A-17, sew strip #9 (first strip of second round) to strips #8 and #2 (parallel to strip #1). As in first round, continue sewing and trimming strips until round is complete. Strip #9 is trimmed in same manner as strip 1. Strip 10 is trimmed in same manner as strip #2, etc.

- Repeat for third round until all strips #1 through #24 have been sewn to octagon. Make 35 total pieced octagons (Diagram B, next page).
- With strip #17 at the top and referring to Diagram C, stitch $3\frac{1}{4}$ " half-square triangles to 4 corners of octagon to make Octagon Block. Make 35 total.

Assembling the Quilt

- Stitch 5 blocks and 4 cream floral $1\frac{3}{4}$ " x $8\frac{1}{2}$ " sashing strips together, alternating, to make block row. Make 7 total.
- Sew together 7 block rows and 6 cream floral $1\frac{3}{4}$ " x $45\frac{1}{2}$ " sashing strips, alternating, to make quilt center.
- Stitch cream floral $1\frac{3}{4}$ " x 64" strips to sides. Sew cream floral $1\frac{3}{4}$ " x 48" strips to top and bottom.
- Stitch red dragonflies $66\frac{1}{2}$ " strips to sides. Sew red dragonflies $48\frac{3}{4}$ " strips to top and bottom.
