Swatch Quilt

Introducing Andover Fabrics' new collection:
THE COLOR COLLECTION by Modern Quilt Studio
Quilt designed by Modern Quilt Studio

Quilt finishes 51" x 75"

If you have been longing to try your hand at making a "thoroughly modern" quilt, then this easy-to-piece patchwork is sure to please. The clever positioning of various patches makes a design of overlapping squares that appear to be floating on the background.

Cutting Directions

Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/8 is a 9" x 21" cut of fabric. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

Making the Quilt

1. Refer to the Quilt Diagram for all steps. The quilt is made in 6 pieced sections. Press all seam allowances open for a flat, graphic look. Beginning with Section 1, join rectangles of fabric to make the section. Join rectangles and squares to make Sections 2 and 3. Sew Sections 2 and 3 together to make a unit. Sew the 2-3 unit to section 1.
2. Similarly, join patches to make Sections 4 and 5. Sew together. Sew to the bottom of the quilt from Step 1.
3. Make Section 6. Sew to the right side of the quilt.

Finishing the Quilt

4. Layer the quilt with batting and backing and baste. Quilt then bind.
